

# Mordialloc College School Rules

## 1 School Rules

Every member of the school community has certain rights and, in turn, certain responsibilities to ensure that the school runs smoothly. In order to ensure this, certain rules are necessary. Breaking these rules will result in consequences appropriate to the misdemeanour.

**All members of the school community are required to:**

- show respect for other people and their property.
- show respect for the school, its environment and its property.
- promote a safe and healthy environment

## 2 Classroom Behaviour

**In accordance with Restorative Practices, a code of cooperation will be developed by every class.**

Students should show a positive attitude to their learning by:

- being punctual to class
- attending all set classes
- respecting the rights of the teacher to teach and the student to learn
- leaving the classroom neat and tidy
- completing all set classwork and homework to the best of their ability
- bringing all necessary equipment to class.

In order to create an orderly working environment, students must:

- not chew or bring chewing gum to school
- not leave the classroom without permission
- leave school bags in lockers
- line up in the appropriate place until a teacher arrives
- refrain from unnecessary movement around the classroom
- enter and leave the classroom in an orderly fashion
- refrain from touching blinds, heaters, fans and other equipment without permission from a teacher
- access lockers during class time only when accompanied by a teacher
- access classrooms only when the teacher is present
- leave mobile phones, music players etc in lockers

**In some classes, especially practical classes and senior classes, teachers may set rules which vary from the above.**

In order to comply with the School council decision on uniform, all students must wear neat correct school uniform.

In order to comply with the DEECD regulations, all students must obey any lawful instruction of the Principal or teachers.
