Principal’s Update

Dear Families and Community members,
Welcome to the 2013 school year, and a special welcome to all of our Year 7 students and new students at other year levels who are joining us this year for the first time. I hope everyone had a fantastic holiday break with family and friends.

Strengthening Culture of Achievement
I have been at Mordialloc College as Principal since mid-2010 and my ongoing challenge to everyone here has been to set ‘High Expectations’ in everything we do – as this is one of the key drivers of highly effective schools. Whether it be how students wear their uniform, how students behave to and from school, in the yard and in class, the level of effort students put into each class or the quality of work submitted for assessment – It is the ongoing College expectation that all students will be striving to achieve their personal best in everything they do.

Underpinning our focus on High Expectations are our core values of Personal Best, Integrity, Respect and Responsibility introduced last year. It is so important that they continue to be evident in how we work together, how we aim high, how we treat and look after one another and how we welcome newcomers into our community.

We are seeing the benefits of the College’s emphasis on high expectations and should be proud of our school and the results achieved over the past two years. We are above the state average for value adding in NAPLAN, we are well above the state average on the Parent Opinion survey and on the Student Attitudes to School survey, our VCE results have improved to have a lot more students achieving ATARS over 80 and 90 and all Year 12 students applying for a tertiary placement have been successful.

As a school community focused on achieving the best possible outcomes for all of our students we need to continually reflect and seek improvement in everything we do. This year marks the beginning of our new Strategic Plan (2013-2016) with the following Key Improvement Strategies:

- Differentiated Learning and Assessment
- Numeracy Improvement, with an initial focus on Year 7 and 8
- Building a culture of achievement and high expectations, whilst maintaining an orderly and positive learning environment
- Provision of the widest possible pathways in the later years

Congratulations to the Class of 2012
I am pleased to report that Mordialloc College Year 12 students in 2012 achieved an excellent success rate in completing their VCE studies. We had more students achieving ATARS over 80 and 90 than in previous years. There were some outstanding individual results, with Kavisha being awarded Dux of the College for 2012. Kavisha will be studying Arts at Melbourne University. Nina with the second highest ATAR was also awarded a Victorian VCE Top Scorer award in LOTE. Nina will be studying Architecture at Melbourne University. Our two top male students, also with excellent ATARS, were Dale and Stuart, both getting into Science at Melbourne University.

Additionally, 100% of our students who applied for tertiary/TAFE courses have received an offer of placement – a truly outstanding result. Congratulations must go to all Year 12 students from 2012. Thanks also to all the teachers who supported their VCE studies, especially our Senior School team from last year including Ms Shelley (cont’d overleaf)

Welcome to new staff

We have a few new staff joining us this year, some previously associated with the College. I am very pleased to welcome -

- Amelia Hargreaves—Senior Maths (returning to the College after a few years overseas)
- Jacky Campbell—Senior Maths
- Bryony Lowe—previously a Numeracy Teaching and Learning Coach, now on teaching staff, teaching Maths/Science in Year 7 and 8
- Kathy Voyer—Integration Aide
- Cecile Fouque—French Assistant 2 days a week at Mordialloc College and 2 days at Edithvale Primary School

And we welcome back Leann Lees - Laboratory Technician and Benita Hughes – Year 7 Family Guide, from leave. I am sure you will join me in welcoming these staff members, and wishing them all the best for their time at Mordialloc College.

Uniform and Jewellery

Our uniform is a very important part of the image we project of our College community and therefore I expect all students to wear their uniform correctly and with pride to, from and at school. I would like to congratulate the majority of students who have started off the year in a positive way in the wearing of the correct College uniform and I thank all parents for your support with this, especially with the requirement of all students to wear polishable black leather lace up school shoes.

For PE and Sport, a reminder that students are required to be SunSmart and wear a broad brimmed or bucket hat when participating in outdoor activities. If they don’t bring a hat, they will be given one from our PE department to wear for the lesson.

All students must also be using the official Mordialloc College school bag available from PSW. A reminder of the rules outlined in the College uniform policy regarding jewellery. Jewellery is not to be worn apart from a wristwatch and a plain stud or sleeper for students with pierced ears. Piercing of other body parts must not be visible.

French Assistant

We have again been successful with our application for a French assistant to work with the College this year in our French program which is to be funded by the Department. Ms Cecile Fouque will work at Mordialloc two days a week and two days at Edithvale Primary School during 2013. Thanks to Mrs Bibi Peerbux for her work in preparing the application in partnership with Edithvale.

College Council Elections

College Council elections are approaching. Further information will be in the newsletter next week and nominations forms available from reception. Please give some thought to contributing to the College by participating in College Council – there are generally two evening meetings per term, and it can be very rewarding. College Council decides, to a large extent, the policies and direction the College takes and is therefore a most important part of the College community.

I am excited about the year ahead and look forward to leading the Mordialloc community in the planning and implementation of its next stage of development aligned to our new Strategic Plan (2013-2016) in the provision of the highest quality education, focused on continuing to build a culture of belonging, high expectations and academic achievement and providing multiple pathways for our students to experience success. Please don’t hesitate to contact me.
Congratulations to James Evans (PE and Advance teacher) who was awarded City of Kingston Citizen of the Year on Australia Day for his volunteer work in the community. James was nominated by the President of the Mordialloc Life Saving Club, Grant Rattenbury, for teaching the members of the MLSC to gain their awards to become life guards, coaching the MLSC at club level for Beach Competition and Pool Life Saving Competitions, assisting with the junior program at the club, coaching the state team and other club’s competitors for Pool Lifesaving Sunday nights at MSAC, coaching the RLSSA Australian U19 Pool Life Saving Team, being selected as the U20 Australian Life Saving Coach for the world titles, being the Head Trainer at the Mordialloc Football Club, and for his work with the Advance Class at school in association with the MLSC. James is an excellent role model for our students!!

Ms Michelle Roberts, Principal

The Hub is Open for Business

‘Awesome’ is the most commonly heard word in our brand new Resource Hub. Students have been blown away by the size of the space, the bright colours and particularly the smell of ‘newness’. We are still waiting on some of the ICT equipment to arrive – the iPads are particularly sought after – but there are books on the shelves, chess sets to borrow and spaces to work and relax in. We look forward to showing parents this amazing facility.

One opportunity to see the Hub will be on Thursday, 7 March. Throughout that week we will be hosting a Scholastic Book Fair so that students can add to their home libraries. We will stay open after school on the Thursday so that parents can come and buy. There will be books suitable for children of all ages, from early readers onwards. Why not buy your children some books for Easter? They will last longer than chocolate!

Penny Trumble, Director of Resourcing

Personal Property

Personal goods are brought to school at owners risk. Personal property is often brought to school by students, staff and visitors. This can include mobile phones, calculators, toys, sporting equipment, bicycles and cars parked on school premises. Please note the Education Department does not hold insurance for personal property brought to schools and it has no capacity to pay for any loss or damage to such property.

Education Maintenance Allowance (EMA)

EMA Application forms are available at the General Office. EMA is paid to eligible parents/guardians of students under 16 years of age and who hold a Health Care/Pension card current as at 29 January 2013. Applications close on Monday, 28 February 2013. Late applications cannot be processed. If you are unsure of your eligibility, please contact the General Office.
