Dear Families, Students and Community Members,

This past couple of weeks I have enjoyed having conversations with Senior School students about their aspirations, their current progress, their achievements both in and out of school, and the things they are most looking forward to about their futures. There has been so much going on lately that it is important to stop and reflect on all those positive things and to remember that there is always someone at school who is happy to lend an ear or offer advice.

Work Experience

Year 10 students completed their work experience from 9 to 12 June. Teaching staff visited them throughout the week and the feedback from students, staff and employers alike was very positive. Many students had a fantastic time on work experience and the opportunity confirmed their current pathways ideas; for others it was a learning curve about modifying their choices somewhat. For all students, it was certainly an excellent opportunity to develop new skills and knowledge about different workplaces. Congratulations to all the students for their participation.

Exams

All Senior School students have completed exams over the past three weeks. Their behaviour, attitude and preparation overall has been excellent and they are to be commended for their efforts in taking this process seriously. Feedback sessions have provided students with areas for improvement in future exams and strategies to assist them with study and preparation for the rest of the year.

Career Quest

Last week the Year 10 students were involved in the three-day Career Quest program. This involved excursions to RMIT and Holmesglen to develop an understanding of VETiS (Vocational Education and Training in Schools) programs and how they can contribute to their VCE or VCAL programs in 2016. Students were exposed to a wide range of course options and it was exciting to see the outstanding facilities and programs available. They also developed Career Action Plans, based on their own interests and abilities, to help them develop their pathway over the next few years. The Subject Expo was enjoyed by all the students, and gave them an insight into all the different subjects we have on offer in VCE and VCAL here at Mordialloc College. Teachers engaged students with interactive activities, advice and information. Congratulations to Kayla Strode for winning the scavenger hunt challenge, for which she received a $50 movie voucher.

Senior School Information Evening and Career Expo

Year 10 students and their parents were invited to have a look at the Subject Expo on Thursday night, and also attended an information session about VCE, VCAL and VETiS programs to help them make informed decisions about their program for 2016. This session was well attended and we thank parents for coming along to hear this important information and support their child in this decision-making process.

Cont. on page 2
In addition, Jane Jamieson, our Career and Pathways Coordinator, organised the Career Expo, in partnership with Parkdale Secondary College. The Hub was humming with visitors from Years 9-12 as students and their families talked with representatives from universities including Monash and RMIT, TAFE providers, the Australian Defence Force and other post-secondary academies. It was very well organised and I would like to personally congratulate Jane Jamieson on such a successful event.

**Career Counselling**

Year 11 students and Year 10 Advance students will select their 2016 programs on Monday 27 July in the old Forum. Year 10 Course Counselling is taking place on Friday 31 July, also in the Forum. Students will receive their appointment times and selection sheets later this week. The students do not have class on the day and are only required at school, in full school uniform, with a parent, for their 15 minute appointment. Year 10 Advance students, on the other hand, will be required at school all day on Monday and will come out of class for their appointment. The appointments are compulsory for all students in order to secure their program for 2016.

**VCE and VCAL Parent-Teacher Interviews**

On Tuesday 21 July we will be holding parent-teacher interviews for all students completing a VCE subject or VCAL. These will be conducted in the Year 8 Enquiry Zone, from 3.00pm to 6.30pm. Having just completed Units 1 and 3, it is an ideal time for parents and students to touch base with the teachers and find out specific strategies for improvement in their VCE units for the remainder of the year. Likewise, it is an opportunity for parents of VCAL students to discuss with teachers any learning outcomes that still need to be met. Bookings can be made through Compass from the end of this week.

**Senior Formal**

Students in Year 11 and 12 are looking forward to ending their very busy term with the Senior Formal, which will be held this Friday night at Southern Golf Club. Students have been excitedly chatting about their dresses, hair, make-up, car-rides and dinner options! Just a reminder to all students and parents that this is a school event and we know you will uphold the high expectations we have of you to represent our school with pride and to have fun in a safe and responsible manner. We hope everyone has a memorable night with their friends and teachers.

What a busy, exciting, focused time it has been for everyone involved in the recent Senior School events. I wish all our students and their families, and of course their teachers, a safe and happy term break and look forward to working with everyone in Semester 2, all refreshed and ready to tackle the rest of the school year with confidence and determination.

Fundraising for Nepal

As a part of our most recent project, Eat and Greet, we were divided into groups of 3 or 4 and were required to, among other things, create an event to demonstrate project management skills. Just before we received our project brief, Nepal was struck by a devastating earthquake in which thousands of lives were lost and tens of thousands of people were left displaced and without clean drinking water or food. So we decided to create a series of events to raise money for Nepal. We decided our aim was to raise $1000 through a number of fundraisers including a bake sale, a “Dress for Nepal Day” and a raffle. We have raised just short of our goal and are donating all this money to Nepal through Oxfam Australia. We would like to thank everyone who bought a cake or a raffle ticket or supported us in any way.

Congratulations to Mr Justin Wischusen on winning the raffle – he informed us it is the first time he’d ever won anything! We also want to thank and recognise our generous sponsors for their donations to the raffle: K-mart Southland, Endota Spa in Mordialloc, Rebel Sport in Southland, Priceline Pharmacy Southland, Mordy Surf, Hairhouse Warehouse in Southland, and Mrs Ip and Ms Muir for donating some goods!

Heather Murray and Taylor Fox, Senior VCAL

Parliament House

On 15 June the Year 12 VCAL students went on a school excursion to Parliament House. When we first arrived we had to go past security and through a metal detector before entering the actual building - very high-tech. Once we all got cleared the receptionist gave us a cupboard to put our bags in. We then had a tour guide who showed us around. The first room we visited was the Legislative Council room, the red room, which was really cosy and beautiful. The seats are red velvet and the carpet was red. Our speaker then told us some information about the room and told us the kinds of important people who visit this room. The next room we visited was the Legislative Assembly room, the green room, which is where the members of parliament meet to discuss new laws.

We spoke about some issues that were important to us and talked about which house these would be raised in. It was good to get some insight into where our leaders represent us, as we have been learning about democracy, electorates, politics and voting as part of our ‘My Future’ project.

Codie Sullivan, Senior VCAL

Visit from Tim Richardson, MP

On Tuesday the 16th of June, Mr. Tim Richardson, who represents the Labor Party in the seat of Mordialloc, came to the school as a guest speaker to our VCAL class. He spoke to us about what makes a successful political party and what breaks one. He was very informative, honest and helpful. As a part of our current project, My Future, we are required to create our own political parties and create a campaign for positive change in the VCAL program, which we have to present to our class mates. Hence why he came in to give us some advice. He told us the importance of connecting with our audience, and only proposing policies that you’re passionate about. We would like to thank Mr Richardson for taking the time out of his busy schedule to talk with us.

Heather Murray, Senior VCAL.
Earlier this term, the Year 12 Media class went on an excursion to the Top Design exhibition in the Melbourne Museum. The exhibition was filled with portfolios and products that were exceptional in that specific field of Design Technology and Media. Our excursion was a great experience for the Year 12 Media class as we were able to see what a high grade folio and well made product looked like. Following this we went to visit the Maldives exodus caravan, an exhibit which was part of the Art+Climate=Change 2015, displaying multiple films exploring artistic ways to engage with climate change. Our class was inspired to aim higher and harder in the creation of our folios and the product we wanted to develop.

After a bite to eat we finished the day with a visit to Screen Worlds, an interactive look at the history of media. We could challenge each other to an original game of Mario Kart or Sonic the Hedgehog, explore the impact of projected light and of lighting effects particularly shadow play or watch the many old films and commercials that were showing in the time of World War I in Australia.

Our media class was inspired and encouraged to do our personal best folio. We have seen what takes to get into the Top Design exhibit.

How many years did the 100 years war last?  
Who was the first actor to refuse an Oscar?  
What is the motto of the S.A.S?

To support this year’s school production of Guys and Dolls, the Performing Arts department are hosting their annual FUNdraising Trivia Night, and we want you to come along and get amongst the action!

Date:  Thursday 30th July, 2015  
Time:  7pm kick off, arrive from 6:30pm  
Location:  Learning Centre, Mordialloc College, 1 Station St, Mordialloc  
Cost:  $15 per ticket, purchased from school reception, or at the door

There will be some light refreshments provided on the night, but if you would like to bring a plate of food to share with your team, you are more than welcome to do so (please note that this is an alcohol-free event). Aside from a great night of trivia, there will be bonus games, great music, and a silent auction. In addition to all of this, you will be privy to a sneak peek of the show!
Our first student news story is about Jemima Cleaver (Year 10) achieving her Pony Club Association of Victoria (PCAV) Certificate-C last month. Jemima hopes to represent us at the interschool sports and Victoria in upcoming state dressage competitions. Congratulations Jemima.

Jemima has spent a considerable amount of time working towards this award which involved assessments in: riding proficiency, horse care and health, cross country and show jumping, horse handling, saddlery and equipment. Jemima also had to overcome some challenges with her horse Po, who experienced some behavioural issues this year.

College News appears in the College newsletter every fortnight and we want your items for this feature. We want to share the special achievements of our students at Mordialloc College with our school community. If your son or daughter has accomplished something special outside school in an activity, hobby or sport, please let us know by email: paten.lana.n@edumail.vic.gov.au and we will acknowledge this in our College newsletter.

College Value Awards:
Liam Cox (7F) for Personal Best
Sean Dulberg (7F) for Personal Best

Personal Best - Work to the best of your ability. Pursue excellence, try hard and constantly seek to improve.

Integrity - Be true to yourself by doing what is right. Be honest and trustworthy.

Respect - Treat everyone with equal consideration. Be accepting of others and their differences.

Responsibility - Be accountable for your actions. Contribute positively to the school and wider community.

College Values - Student Pledge

“As students of Mordialloc College, we are determined to achieve our personal best, not only academically, but in sports, the arts and in the wider community. We will constantly strive to be the best we can be. We will endeavour to take responsibility for our actions, owning up to mistakes and helping others out when in need. We will be respectful towards all teachers and students, and we will be true to ourselves by being honest and trustworthy.”
Financial Assistance

Information for Parents

Camps, Sports & Excursions Fund (CSEF)

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund will ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities.

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. The allowance will be paid to the school to use towards expenses relating to camps, excursions, or sporting activities for the benefit of your child.

The annual CSEF amount per student will be:

- $1.25 for primary school students
- $2.25 for secondary school students.

How to Apply

Contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

Closing Date

You should lodge a CSEF application form at the school by 26 June 2015.

For more information about the CSEF visit www.education.vic.gov.au/csef

Assistance is available for eligible families.

Application forms have been emailed to all Mordialloc College families. You can also download the form from our website:

Please complete and return the application form as soon as possible before 26 June 2015, together with a copy of your concession card.

Late applications cannot be accepted after 11 July. All applications received by mail or email during the holiday period will be considered on time.

The new Qkr! app is now live for families of students at Mordialloc College.

Qkr! by MasterCard can be downloaded for free from Apple’s app store for iPhones (iPads should download the iPhone app) or from Google Play for Android phones and tablets. After downloading the app and registering, simply scan the QR code on the left using the Qkr! Code scanner or type MORDIALLOC after tapping the magnifying glass in the top right of the home screen of Qkr!, and then the app will always recognise you as part of Mordialloc College in future to make payments even easier. You can pay for all College activities/electives and charges right now using Qkr! to make payments immediately, so why not download it today and take a look at our school on Qkr! - all feedback to the school office is very welcome.

Open Days 2015

Getting the most out of an Open Day

Most institutional Open Days are held in late July and August (see over the page for Open Day dates). However, you are more than welcome to contact an institution to arrange a visit any time.

What happens on an Open Day?

On Open Day you can visit an institution when it’s at its best. Everyone is there – academics, lecturers, current students and information officers. More importantly, you can talk with academics, lecturers and current students about what certain courses are actually like, and what is required to get into them.

Who should attend an Open Day?

Anyone who is considering studying at a tertiary level in the next few years should attend.

Why should you attend an Open Day?

- Apart from the opportunity to obtain course information there are many other reasons why attending an Open Day is a good idea:
- You are going to feel more comfortable arriving at a university or TAFE institute on the first day of classes if you have been there before.
- What is really involved in the course or courses you are interested in?
- If you have to move away from home, where are you going to live?
- Will you be happier studying in a large metropolitan institution or a smaller, perhaps rural institution?
- What does the place ‘feel’ like? Is it a bustling environment with lots of activity or a quieter, more relaxed campus set in landscaped grounds?
- How are you going to get there? Is it close to public transport or should you start saving now for a car?
- If you don’t know the answers to any of these questions, then you should attend an Open Day!

How to make the best of Open Days

- To make your Open Day visits fun and informative, here are some pointers:
- Write down a list of questions you would like to ask about particular courses
- Be there early. Crowds tend to develop as the day progresses
- On arrival, get a map from a central point and ask for directions to the relevant faculties or schools
- Ask questions!
- Don’t spend the day collecting printed information only. Use the opportunity to speak directly with academics before applications close
- Introduce yourself to selection officers if you feel it is appropriate, but don’t be pushy
- Check out the residential colleges, if available. After all, it is you that will be living there.
- Walk around the campus. Have a good look! See what sporting facilities and other services are available.
- Enjoy the visit!

Not everyone can attend every Open Day and various Institutions hold their Open Days on the same date! If you can’t attend an Open Day and you are interested in a particular institution, you may visit at other times. If you wish to speak to a particular person, it is essential to make an appointment first.

Addresses of tertiary institutions are available via VTAC on www.vtac.edu.au
or by ringing the institution directly or visiting their website.

Students in Years 10, 11 and 12 are encouraged to go along to Open Days
